Call for Applications for Postdoctoral Fellowship (1 post)

Building Human Capacity in Singapore’s Population: Testing Innovations in Human Development

The position is intended for outstanding active researchers from around the world to work on a longitudinal study on childhood development. The Postdoctoral Fellow will work closely with the project investigators in experiment/questionnaire design, conducting analysis, and writing of reports and publications.

Qualifications

1. A PhD in developmental psychology or cognitive neuroscience from a recognized university.
2. Research interest and expertise in the domain of child development and neuroscience. Preference will be given to those who focus on moral development and developmental social neuroscience.
3. Possesses strong research skills and good publication record.
4. Candidates who are familiar with neuroimaging methods such as EEG and fNIRS are preferred.
5. Excellent communication skills
6. Strong organizational and interpersonal skills

The fellowship will also provide support for conference organization and/or attendance (on application and subject to approval).

Terms and Conditions

The appointment will be tenable for a period of one year at the first instance with a possibility for extension. Projected date of commencement: As soon as possible.

The fellowship comes with a competitive remuneration and benefits package, depending on the candidate’s qualifications, track record, potential and experience.

Other benefits that the University provides and other information about working in NUS and living in Singapore are available at http://www.nus.edu.sg/careers/potentialhires/index.html. Terms and conditions, according to university guidelines, are subject to change without prior notice.
Invitation to apply

Interested applicants are invited to email their applications, consisting of:

1. Cover letter
2. Curriculum vitae
3. A research statement (max of 3 pages)
4. Recommendation letters from 4 referees, 1 of whom should be the PhD supervisor
5. Personal particulars form
6. NUS Personal Data Consent for Job Applicants
7. Copies of degree scrolls and transcript of grades

All applications and enquiries should be sent to Lori Jane Pasaraba via cfpr@nus.edu.sg with the subject “SSRC Postdoc Application – Social Skills”. We regret that only shortlisted candidates will be notified (via email).
