

*"One of the leading B Schools in Europe, EDHEC provides its students with access to outstanding faculty, state of the art infrastructure and a proactive careers centre that prepares students for the competitive job market. All courses are designed with industry requirements in mind and some are actually taught by practitioners. The course content reflects the findings of EDHEC's Research Centres of which the EDHEC Risk and Asset Management Research Centre is N°1 in Europe."*

*Alokendra Mitra – MSc 2008-2009*

*Study in English  
while living in France*
