

# MINOR IN INTERACTIVE MEDIA DEVELOPMENT

<http://tinyurl.com/IMDminor>

## I am from...

**Computer Science**

**Communications & New Media**

**A major other than these 2**

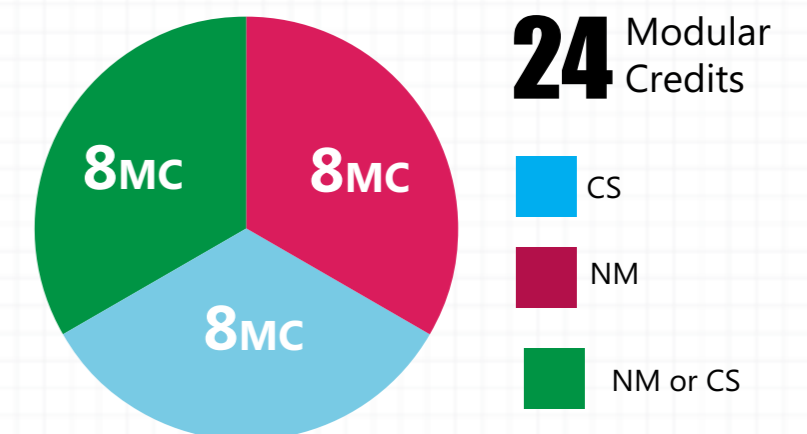

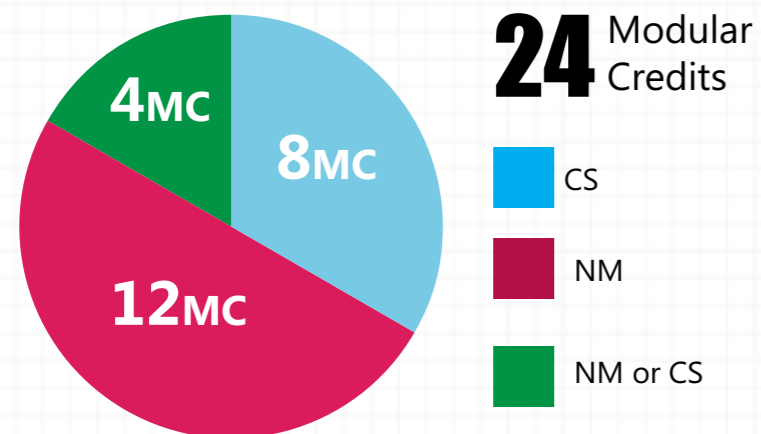

## Why should I do the IMD Minor?

The IMD Minor provides an opportunity for students to take NM modules in a structured manner after B.Comp. (CM) merged into B.Comp.(CS). Up to 8 MCs of modules may be used to meet the requirements of both the Major and Minor programmes.

The IMD Minor provides an opportunity for students to take a selected group of relevant Computer Science (CS) modules in a structured manner. Up to 8 MCs of modules may be used to meet the requirements of both the Major and Minor programmes.

The IMD Minor provides a chance for students who are interested in interactive media design and development to take a sampling of both CNM and CS modules, all of which are chosen to provide insight into the interactive media development process.

## What are the requirements?

## What are some modules that I can do as part of the minor?

Interactive Sequential Art

Data Visualizations

User Experience Design

Game Design
