fass turns 80!

It is with immense pride and joy that **FASS** commemorates its 80th Anniversary in 2009. Memorable and meaningful events have taken place and been planned to bring the alumni, students and faculty members together in a year of celebration. With the slogan, "Where FASSinating Things Happen", the Faculty reminisces its multiple achievements over the decades, contemplates its present position as a leading institution of learning, and embraces its aspirations of more fascinating things in the future. We would like to express our deep gratitude to all alumni, staff, students for their invaluable contributions in the past and in the present.
