THESPIS invites you to join us!

Come for our welcome tea and find out more about us and our upcoming activities. We will also be hosting a performance of *HUSH!*, a play that was well-received at the recent CELEBRATE DRAMA festival.

THESPIS is led by students of the Theatre Studies Department, but is open to all who share an interest for Theatre and its process.

We are a platform for budding practitioners, enthusiasts and the curious to learn, grow, develop and experiment.

Some of our activities for the new term include workshops, dramatised readings as well as another public performance, following up on last year's successful sold-out run of *Walking Into Doors*.

Call NIM at 90047242 or email thespis.tssoc@gmail.com for any clarifications or enquiries.

Visit <http://nusthespis.wordpress.com> for updates on future Thespis events.

See you at our welcome tea!

HUSH! is a devised performance that experiments with personal secrets. Borrowing from the concept of PostSecret, the highly charged performance will provide the audience a cathartic experience while ensuring their own secrets are kept *hushed*.
