Dear students,

The National Council on Problem Gambling (NCPG) is an independent 15-member Council that the Minister (Community Development, Youth and Sports) appointed in August 2005 as part of Singapore's national framework to address problem gambling.

As part of the Council's efforts to encourage local research on problem gambling issues, we would like to extend a grant to all undergraduate (Honours/equivalent) and postgraduate students who undertake research in this area for their thesis.

Students who are interested can find further details on the Problem Gambling Research Grant and the application form on the NCPG website: http://www.ncpg.org.sg/research.html or contact Ms Ong Su Chern at Ong_Su_Chen@mcys.gov.sg
